FROM THE PASTOR

It's almost impossible to exaggerate the harm that pornography has done and is doing both on an individual and societal basis. It harms the souls of those who engage in it, and it harms their relationships with others. It can render young men and women unfit for both religious and married life. It can destroy the religious vocations and marriages of those who have already entered into them. It is straight from hell. We must protect ourselves and our families from this all pervasive evil influence. Parents who allow their children unsupervised access to the internet, television, and other means of secular social communication are seriously negligent. Susceptible adults who take no steps to protect themselves from exposure to pornography when making use of these same electronic media are most imprudent, placing themselves unnecessarily into an occasion of serious sin. Not only must we be on our guard against all "hardcore" pornography, but all so-called "softcore" as well. "Softcore" is found on many television ads and regular TV programming; on billboards; as well as in advertisements on the internet, in newspapers and magazines. It may be as death dealing to the soul as the "hardcore." Admittedly, it can't always be avoided. But when it can't, we want to turn away from it as quickly as possible. In order to do that, however, we must have a strong prayer and sacramental life. Those who have become addicted must avail themselves of all supernatural and natural means to overcome it. One possible place to look for help is the website "Reclaim Sexual Health." For those seeking protection for themselves and their families when using the internet, the website "Covenant Eyes" is recommended.

DRESS CODE

While at the church, everyone is expected to dress in a way that's both modest and appropriate for the house of God. Here are some guidelines:

- Dresses and skirts must be long enough that the knees are covered when sitting.
- Shoulders must be covered.
- Necklines must not be revealing.
- Clothing must not be too tight. Clothing is to conceal, not reveal. Leggings and "yoga pants" fall into this category. If worn, they must be covered by a dress or skirt that covers the knees when sitting.
- Shorts are not suitable wear for church.

Finally: We do request that the correction of visitors in this matter be left to the pastor or his delegates.

CODIGO DE VESTIMENTA

Mientras en la iglesia, se espera que todos se vistan de una manera modesta y apropiada para la casa de Dios. Aquí hay algunas guías:

- Vestidos y faldas deben ser suficientemente largas, para que cubran las rodillas al sentarse.
- Los hombros deben estar cubiertos.
- Los escotes no deben ser reveladores.
- La ropa no debe ser muy entallada. La ropa es para cubrir y no para revelar. Mallas gruesas (leggings) y pantalones de yoga caen en esta categoría. Si se usan, estos deben ser cubiertos por un vestido o falda suficientemente largos para cubrir las rodillas aun cuando se esta sentado.
- Pantalones cortos (shorts) no son apropiados.

Finalmente: Pedimos que las correcciones a visitantes con este respecto se lo deje al párroco o a sus delegados.
